16. Participation in any outdoor pursuit, sports or countryside activities carries an inherent degree of risk. Badaguish is committed to providing the highest standards of Health and Safety to all visitors and staff. Proper risk assessment and procedures are in place for all activities at Badaguish and for groups working under Badaguish staff supervision both on and off site. Full public liability insurance is held and Badaguish is a member of the Adventurous Activity Licensing Authority (AALA).
For those visitors carrying out their own supervised activities, please take appropriate precautions to ensure the safety of your groups. In particular, due regard should be made to weather, terrain, equipment and letting someone know your details when off site. Please satisfy yourself that all reasonable and sensible preparations have been made before going on any outing. Groups and individual supervisors are advised to check their own insurance cover, liability and qualifications for activities being carried out independent of Badaguish staff.
